Soft Skills: Communication, time management, presentation, problem-solving, decision-making

PROFESSIONAL EXPERIENCE

Freelance Web Designer Jan 2025 – Present

Independent · Remote · JAI Home Care & small-business clients

- Design and build marketing websites and landing pages from brief through launch.
- Use Claude and Cursor for layout and iteration; verify code, copy, and mobile behaviour before go-live.
- Delivered JAI Home Care landing page; scope, pricing, and post-launch support agreed in writing.

Marketing & Online Specialist Jan 2025 – Present

Padma Enterprises (Padma Lights) · India

- Lead website, digital marketing, and online presence for cast-aluminium outdoor lighting.
- Manage 200+ model catalogue, trade pricing, and international orders in eight currencies.
- Coordinate product photography and catalogue updates with manufacturing and export teams.
- Grew the business online for nine years before assuming this role full-time in 2025.

Technical Support Advisor Aug 2024 – Dec 2024

Teleperformance

- Diagnosed and resolved technical issues via remote troubleshooting and ticketing in PBX environments.
- Maintained service quality in a high-volume setting with changing tools and procedures.
- Documented resolutions and follow-ups in CRM for handoffs and audit trails.

Customer Support Executive Oct 2023 – Jan 2024

Webhelp Pvt. Ltd.

- Customer service via chat and email — product enquiries, complaints, and troubleshooting.
- Maintained CRM records; escalated complex cases and coordinated with teams until resolution.

Content Moderator Oct 2021 – Apr 2023

Concentrix Daksh Pvt. Ltd.

- Reviewed content for Google platforms including YouTube Kids using internal moderation tools.
- Prepared team reports; created transcripts and aligned content for production workflows.

Technical Support Trainee Feb 2021 – Jun 2021

Flex Pvt. Ltd.

- Supported Oracle WebLogic 11g and Jenkins monitoring; and prepared health-check reports.

Intern Jun 2019 – Aug 2019

Parag Dairy · UP Rajya Vidyut Utpadan Nigam Ltd.

- Quality-control operations and delivery records at Parag Dairy; progress reports at thermal power station.
